Costa Calida, San Pedro Del Pinatar

Welcome to your exclusive oasis in San Pedro del Pinatar! Discover the perfect interplay of space and luxury in this new-build villa, where every detail has been designed to enhance your living space. The beautiful garden, with a veranda and private swimming pool, is the heart of your new home, a space dedicated to relaxation and tranquility.

Inside, you enter an open-plan living space, infused with natural light, thanks to large windows connecting the living room, dining room and kitchen. Comfort meets elegance in this functional space, where you always stay connected to the enchanting veranda.

On the upper floor you will find carefully designed rooms, including a spacious bedroom with private bathroom and dressing room. San Pedro del Pinatar's location on the Mar Menor and the Mediterranean coast offers a paradise for sailing enthusiasts and water sports enthusiasts, while its beaches and natural mud baths provide a perfect escape.

Enjoy an established community and a range of activities from indoor pools to social events. Take advantage of the region's advantages such as mud baths and proximity to the Dos Mares commercial center. Experience the best of living in this unique villa, just 30 minutes from Murcia/Corvera airport and an hour from Alicante. Discover a life of luxury, comfort and enchanting location.
