Tucked away in peaceful surroundings, this enchanting rustic villa offers breathtaking open views that will enchant you.

Upon entering you are greeted by a spacious living room with both a dining area and a cozy sitting area with a wood-burning stove, where the authentic elements such as the beautiful wooden beams and doors have been preserved.

Further on you will find a well-equipped kitchen and a handy storage room for extra storage space.

On the first floor there are three bedrooms, one with a dressing room, each with its own balcony to enjoy the views. Here you will also find two bathrooms for optimal comfort.

Several terraces have been laid out around the villa, and near the swimming pool you will find a large terrace with an outdoor kitchen. Here you can prepare delicious meals and enjoy the outdoors.

The house is bordered by an extensive garden with a separate entrance, which completes this piece of paradise. This authentic rustic villa offers the perfect blend of comfort and natural beauty. Don't wait any longer and discover your oasis of peace and serenity today!
