Welcome to Finestrat, where a brand new residential complex awaits you - an exclusive piece of paradise on the Costa Blanca.

This complex is nothing short of a modern masterpiece. Here you will find sleek and stylish apartments with 2 or 3 bedrooms, each with 2 bathrooms, an open kitchen that flows seamlessly into the living and dining room. Enjoy an abundance of natural light in a space with a beautifully designed kitchen island.

If you choose an apartment on the top floor, a private solarium awaits you. If you opt for the ground floor, you can enjoy your own private garden and even a private swimming pool is possible (at an additional cost). All homes have elevators for your convenience.

Sustainability is key, with each house certified with an energy class A. You also get your own parking space. Inside you will find a fitness room and a bio-health room for all your sporting activities.

And of course there is a communal swimming pool to relax and enjoy the Spanish sun. LED lighting is provided everywhere, both inside and outside.

Only the highest quality materials and brands are used here, because only the best is good enough for you.

These properties have access to a large swimming pool and enjoy one of the best locations on the Costa Blanca. Here you live close to golf and the beach, and all the amenities you could wish for.

Benidorm is just a five-minute drive away and offers an abundance of amenities, from shops and restaurants to private international schools.

The beach is close by, and not just any beach - Finestrat has some of the best beaches in Europe, with European Union blue flags. The sandy beaches of Levante, Poniente and Cala de Finestrat stretch for more than 6 km and are a true oasis.

The fun never stops here, with theme parks such as Aqua Natura, Terra Mítica, Terra Natura, Aqualandia and Mundomar, golf courses such as Sierra Cortina and Villaitana, hiking and climbing opportunities in the unspoilt natural landscape of Puig Campana, or water sports to enjoy.

The sea is just 4 km away, the airport 26 km and golf just 1 km. Furthermore, the complex is located just 40 minutes from Alicante airport.
