Welcome to Pinoso, where dreams of an idyllic Spanish life come true. Our newly built villas, located on extensive plots in the middle of beautiful nature, offer the perfect combination of traditional Spanish allure and contemporary elegance.

Discover the rustic charm of building plots ranging from private oases to idyllic locations just minutes' drive from the bustling city center. Each plot offers breathtaking views, while water, electricity and high-speed internet are included in the price.

The villas promise not only a perfect finish but also high-quality materials. Enjoy the spacious concrete terrace around the pool, German tilt-and-turn windows, a built-in fireplace and a pre-installation for TV and internet.

The bathrooms are an oasis of luxury, with choices ranging from shower columns to baths, and elegant washbasin furniture in different colours. The kitchens feature stylish cabinetry, stainless steel sinks and a range of granite worktops to choose from.

Pinoso welcomes you with open arms. Located just 45 minutes inland from Alicante and the Costa Blanca, the town offers an authentic Spanish experience. Surrounded by majestic mountains covered with pine trees, you can enjoy quiet streets without traffic lights and hardly any traffic. The local fields are dotted with vines, almond and olive trees, and in February the blooming almond blossom paints the landscape pink.

Pinoso is a vibrant community with various amenities including lively bars, delicious restaurants and local shops. The modern 24-hour medical centre, schools, theater and excellent sports facilities, including outdoor swimming pools, tennis courts and a gym, complete the picture.

These villas are more than houses; they are opportunities to create your ideal Spanish lifestyle. Customize the house to your wishes, add extras such as a larger swimming pool, garage or guesthouse, and make this villa your dream home in the heart of Pinoso.
