Welcome to our new project, where we offer you the ultimate quality of life, surrounded by the beautiful golf course with stunning sea views. Located a short distance from Alicante airport, Alicante city and its enchanting beaches, this is your chance to live in an area that offers everything.

The residential complex has a range of 2 and 3 bedroom apartments with generous terraces, as well as 2, 3 and 4 bedroom villas. Here you create not just a home, but a place where you will make the best memories of your life.

Relax after a long day at work in the complex's refreshing swimming pool, surrounded by carefully designed landscaping. Every corner has been thoughtfully designed with attention to detail. Invite friends and family to enjoy your spacious home, whether it is a two-, three- or four-room home.

Enjoy the life of your dreams on the complex, with morning runs, refreshing dips in the pool, cozy meals in the Social Club and fun afternoons with the kids in the play areas. All this in an exclusive environment, just a stone's throw from a relaxing game of golf.

Whether you are alone, with your pet or with your loved ones, every place is designed for visual comfort and safety. Walking through the common areas you will come across a large fountain, a swimming pool with natural grass, scattered furniture to enjoy the view, and even areas with artificial grass and ceramics in glossy wood tones.

The complex is fully fenced and equipped with video intercom for your safety and that of your loved ones. The buildings exude great elegance with contemporary style that will enchant you.

As if this weren't enough, the homes next to the golf course have large terraces with glass balustrades, so you can enjoy the unbeatable sea view every moment. Imagine waking up every morning to the extraordinary sunrise of Alicante and having breakfast in the enchanting light of the Mediterranean Sea. This is your dream home in the making!
