Meet a brand new project that is only a 4-minute walk from the seaside promenade and just 3 minutes from the historic center of San Pedro de Alcantara, located in the new expansion area towards Marbella beach and near Puerto Banus, called the new Alcantara.

Mare offers homes designed to provide the maximum comfort to its residents, with a selection of high-quality materials from prestigious brands and carefully considered design. They have a perfect air conditioning system that adapts to the temperature during both the colder and warmer months and have optimal sound insulation between the homes and the outside world.

Built in accordance with the regulations of the new Technical Building Code (CTE), these homes are at the top of the market and offer the highest levels of energy efficiency.

The area has wide and modern avenues with cycle paths, gardens, public transport, all surrounded by restaurants and shops.

A new residential area that benefits from all the benefits of a quality living environment, strategically located next to Puerto Banus, in Marbella, all at an exceptional price.
