Costa Blanca, Finestrat

A world of refined luxury and panoramic vistas, where a new residential complex in Finestrat dominates the horizon with its majestic appearance and lush landscapes.

This complex, located around a small valley with beautiful apartment buildings on both sides, offers a unique living experience oriented towards the sea and the south. Large terraces are bathed in sunlight and bring the outside world to life, while offering breathtaking views of the sea and the Benidorm skyline.

The properties range from spacious ground floor apartments with 3 bedrooms to first floor apartments with large terraces and penthouses with private terraces and solariums. Each designed to meet the highest standards of comfort and luxury.

The complex is designed with a unique terraced structure, with each layer descending into the valley with large walls of cyclopean stone and classical masonry. Natural stone gives a timeless appearance, while the terraces serve as meeting places, meditation places and walking paths to enjoy the natural environment.

Just 3 km away, bustling Benidorm awaits with its beautiful beaches and endless leisure options, while the complex itself offers luxurious finishes, spacious rooms, communal areas and unparalleled sea views.

Welcome to a world of refined beauty and limitless possibilities, where every day a new adventure awaits on the horizon.
