## Costa del Sol, Mijas La Cala

Discover a new boutique residential project consisting of only 16 modern apartments with sea views in La Cala de Mijas. In this exclusive community, there is every opportunity to express yourself and create a tailor-made home, designed and designed according to your needs and preferences.

Available options include the possibility to choose the colour of floor and wall coverings and other materials, accessories for stylistic details, configurations and your choice of amenities.

This project is a harmonious combination of modern comfort and Mediterranean charm: the embodiment of what a property on the Costa del Sol in the 21st century should be, with a communal infinity pool with beach entry, a fitness room equipped with the latest technology and complete bodybuilding equipment, a fitness system in an endless pool, everything you need to train your body or de-stress, and a multifunctional space with a wine cellar to collect your own bottles, as you have your own showcase.

A modern, contemporary design was invited to combine with our Danish (or Scandinavian) roots and focus on “hygge” (read: cosiness), creating comfortable spaces that combine indoor and outdoor living and offer maximum exposure to the incredible views of the Mediterranean Sea.

Within this private community, you will find peace, comfort and relaxation in an environment close to everything you could possibly wish for.

The project overlooks the golf valley of La Cala de Mijas, a privileged location on the Costa del Sol. It is only a 6-minute drive from the beach, a 2-minute drive from Calanova Golf and a 10-minute drive from La Cala Resort.
