Discover the ultimate living comfort with this new construction project of two semi-detached villas in the serene Alfaz del Pi. Located in a quiet and picturesque area, close to the charming village and with breathtaking views of the bay of Altea, these homes offer a perfect combination of tranquility and luxury.

Each villa has three spacious bedrooms, an open kitchen that flows seamlessly into the spacious living room, and fitted wardrobes that provide sufficient storage space. Outside you will find a beautiful terrace and a private garden with swimming pool, where you can enjoy the Mediterranean climate. The homes also have a basement with a garage and a storage room, which offers extra convenience.

These villas are designed to perfectly suit your lifestyle. You have the opportunity to customize every aspect of your home to your taste and needs. Do you dream of a spacious basement with a separate entrance? Or would you prefer a safe garage for your car? Everything is possible! In addition, you can choose the materials and equipment yourself, add a solarium and much more. The possibilities are endless.

Strategically located just five minutes from the Norwegian School and seven minutes from the picturesque Albir beach, these modern homes offer the best of both worlds: the convenience of proximity to amenities and the tranquility of a serene environment.

Don't miss this unique opportunity to create your dream home in beautiful Alfaz del Pi. With customizable options and an idyllic location, these semi-detached villas are the perfect choice for those looking for luxury, comfort and a personalized living space.
