Costa del Sol, Benalmadena

Welcome to this exclusive development of twenty luxury villas in an attractive hillside neighbourhood of Benalmadena. Each villa offers incredible views of the coast, the Mediterranean Sea, and the mountains, making it one of the most coveted locations on the Costa del Sol.

The luxury villas in Benalmadena exude a refined aesthetic, with chic architectural lines creating a bold and impressive exterior. Yet, it's a refreshing style designed to enhance the space within each villa. Expansive floor-to-ceiling glass doors can be fully opened to keep the villa cool and airy during the heat of a summer's day, bathing the interior in natural light. The staircase is discreetly positioned not to dominate the room and features a stylish, double-height window panel or skylight to ensure it's brightly illuminated by the sun. Elegant porcelain flooring flows seamlessly throughout the rooms, creating a tranquil and relaxed atmosphere in each spacious villa.

The spacious, open-plan living room is perfect for bustling family life, with ample space to arrange your furniture. This generous room can easily accommodate a large dining table and more than one comfortable sofa, while maintaining a cosy atmosphere.

The open-plan design also includes an elegant and practical kitchen, ideal for everyday living or entertaining friends. The kitchen features a compact island unit or breakfast bar, with cupboards neatly designed to blend in with the rest of the living room.

Situated in a privileged location, this development enjoys unparalleled panoramic views of the Mediterranean from its peaceful and secluded setting. Nestled in the hills, these exceptional villas are surrounded by spectacular landscapes and serve as the perfect base to explore the myriad experiences the Costa del Sol has to offer.
