Discover this new promotion of high-quality homes, perfectly designed for an improved quality of life. These apartments are divided into two bedrooms, two bathrooms, a living room with a fully equipped American kitchen and are optimally laid out to maximize space, functionality and quality of the building materials used. Each apartment also has its own parking space.

The urbanization offers extensive communal areas such as a swimming pool, solarium, chill-out zone, gym, sauna and laundry room. For your safety, the residential complex is completely gated, with a single pedestrian entrance and closed-circuit TV surveillance, including at the vehicle entrance.

This is the ideal choice for those looking for a high-quality home with a high level of comfort, without giving up all the necessary shops, schools and services in the immediate vicinity.

Located in the heart of the Costa del Sol, 20 km from Malaga airport and 30 km from the center of Marbella, this location is undoubtedly known for its eight kilometers of fine sandy beaches and promenade lined with palm trees and colorful flowers. Surrounded by golf courses and nature, this is a place where you can enjoy the Mediterranean climate with more than 320 sunny days a year, giving you more than enough reasons to choose this as your home.
