Experience the ultimate in comfort and design in these spacious apartments, with 1, 2 and 3 bedrooms, as well as penthouses with solarium. Located in a fully equipped designer residential complex, just 150 meters from the sea.

This residential complex offers 28 apartments with 1, 2 and 3 bedrooms, mainly oriented to the afternoon sun, so that every family will find the space it needs. In addition, there are two underground floors for garages and storage rooms. The spacious terraces ensure that your evenings become endless to share with family or loved ones.

The design of this complex follows a clear aesthetic that promotes the brightness of the homes, with penthouses and large outdoor areas. The layout of the interiors is designed to create cozy and at the same time functional spaces. The effective organization of the common areas, the complete facilities, energy efficiency and the excellence of the materials make this a high-quality residential choice.

The location offers the best of both worlds: a traditional village with all the necessary amenities and leisure options, and close proximity to Málaga. This puts you within easy reach of the harbour, streets and the city's vibrant nightlife.

All homes include a parking space and storage room, adding to the convenience and comfort of your new home.
