## Costa del Sol, Marbella

Experience unparalleled luxury in this breathtaking modern sea view apartment, located in the exclusive Puente Romano Resort on Marbella's prestigious Golden Mile. This apartment exudes seaside sophistication and embraces the resort's surroundings to reflect the lavish Mediterranean lifestyle.

The apartment has a beautiful covered and spacious terrace, perfect for al fresco dining and a chill-out area. From the terrace, residents can enjoy the beautiful communal garden and sea views, creating a relaxing atmosphere. Thanks to the floor-to-ceiling glass sliding doors, the terrace has direct access to the living room and the master bedroom. The modern and sophisticated interior design is clearly visible in the open kitchen, dining and living area.

The three areas flow seamlessly into each other to form a practical and aesthetic living space. Neutral colors and accents of natural wood in the floors and kitchen cabinets complement the space. Modern furnishings and finishes elegantly adorn the space, maximizing comfort and functionality while also remaining visually appealing. The fully equipped kitchen has a beautiful kitchen island with marble finish, which is also reflected in the rest of the kitchen. Kitchen appliances can be stored out of sight thanks to their position in a cupboard, keeping the space clutter-free.

All bedrooms are well furnished and decorated with the finest materials and furnishings, maintaining the color palette of the interior design. Each bedroom has its own en-suite bathroom. The master bedroom is an elegant and cozy space, ideal for relaxing and unwinding. A privacy glass separates the bedroom from the bathroom, where one can admire the beautiful gray stone used for the double washbasin, shower and bath.

With its convenient location within Puente Romano, residents are just minutes away from the beach and close to all the exclusive amenities that the resort and the Marbella Golden Mile have to offer.
