Discover a new promotion consisting of 70 homes with 2, 3 and 4 bedrooms. This residential complex offers spacious garden areas, a swimming pool and a children's playground. The development has a wide range of communal and recreational areas for both adults and children.

The inside of this real estate project is very modern and combines perfectly with the exterior of the building. The spacious living area with kitchen and living room offers access to a large terrace where you can enjoy the sun during various months of the year.

Thanks to the introduction of structural insulation, energy consumption has been optimized and user comfort is guaranteed. Efficient air conditioning and ventilation systems have also been added. The kitchen is fully equipped with large Balay appliances (oven, microwave, induction hob). There is an extractor hood and smoke detectors in the kitchen to ensure safety.

In the area there are many facilities such as schools, institutes, daycare centers, health centers, supermarkets and sports areas. If this is what you are looking for, this promotion is perfect to meet your needs.

Experience the perfect balance between modern luxury and practical amenities in this new development.
