These holiday homes are steeped in modernity and sleek design, with a thoughtful focus on light and space. The contemporary, open plan layout is seamlessly integrated with floor-to-ceiling windows leading to spacious, private terraces and solariums. These outdoor areas have been carefully designed to take full advantage of the stunning golf course views that are so prized within the complex. The variation in layout between the two- and three-room houses provides a versatile choice, with many houses enjoying a spacious living room of no less than 7 to 11 meters wide, as well as a spacious terrace. In collaboration with our experienced interior design partners, tailor-made furniture packages have been put together that perfectly match the light and airy interiors.

We strive for the highest standards one would expect from a global 5-star hotel. You will have access to state-of-the-art fitness facilities on site, and benefit from special rates at area golf courses. Furthermore, special access to the facilities of our sister resorts on the Costa del Sol gives you the peace of mind that your new home at La Cala Golf is a gift that keeps on giving.

Just 5 minutes away from the beautiful beaches and tasteful eateries of La Cala de Mijas, this project provides the perfect setting to enjoy the lifestyle of the local area and beyond.
