This prestigious villa is an example of architectural ingenuity, capturing the essence of uniqueness and refinement. Designed by the visionary minds of Vicens & Ramos, the futuristic yet nostalgic structure attracts attention with its flowing lines and harmonious integration into the lush green landscape.

The villa forms a perfect unity with nature, surrounded by a carpet of vibrant greenery. The ground floor houses all the living areas, while the upper floor is characterized by an enchanting domed entrance and a custom-made spiral staircase that evokes a sense of grandeur. The entrance, carefully designed for parking comfort, sets the tone for a warm welcome to guests and makes an immediate impression. An outdoor spiral staircase provides direct access to the garden from the entrance.

The ground floor includes a fully equipped kitchen, spacious living and dining areas and four beautiful bedrooms, each with its own unique charm. Thanks to the abundance of windows and sliding glass doors, the interior is flooded with natural light, creating a seamless connection with the outside.

The villa features an enchanting garden, highlighted by an egg-shaped swimming pool with soothing light blue tiles. Towering palm trees adorn the landscape, while the lush grass provides plenty of space for relaxation and social gatherings. The terrace tiles specially chosen for this home add a unique detail to the character of the villa.

An unparalleled architectural masterpiece, this exceptional villa promises an exceptionally personal retreat, complemented by breathtaking views and an enviable location within the prestigious Finca Cortesin Resort.
