Costa del Sol, Mijas Costa

This new development takes full advantage of its elevated position above a luxury golf course, with unparalleled views of the coastline. The innovative design allows the integration of spacious terraces and opens the homes to the surroundings and the bright light of Mijas Costa. Furthermore, the spectacular common areas blend with a natural environment, surrounded by grand scenic beauty.

The well-defined shapes and simple lines of the buildings create an unmistakable aesthetic, which gives character to the residential area and at the same time gives unity and coherence to the complex.

The light and natural landscape sets the scene for the spacious interiors of this beautiful project, thanks to the large windows, terraces, solariums and private gardens. Mijas Costa offers all amenities, a wide range of leisure and dining options, perfect accessibility, as well as spectacular beaches and a unique natural environment.

The large swimming pool with sun terrace is designed as the focal point of the complex, whilst also boasting a fully equipped gym and numerous landscaped areas.

Let yourself be caressed by the Mediterranean breeze and enjoy the changing colors of the sky and sea. From the terraces the panoramic view is endless; relax while looking out over the green hills of the golf course or discover the beautiful skyline of the Sierra de Mijas. Here you have the Costa del Sol at home.

Beautiful apartments for sale. Located next to a luxury golf resort.

2 - 3 bedrooms, 2 - 3 bathrooms, fully equipped open kitchen, air conditioning, terrace, fitness, sauna and communal garden with swimming pool.
