Costa del Sol, Fuengirola

This exclusive complex includes 233 luxury homes spread over 7 residential areas, spread over a site of 26,272 m² with more than 7,000 m² of lush green areas. Located in a privileged location in the heart of the Costa del Sol, just minutes from the center of Málaga and Fuengirola.

The homes in this project, spread over 7 exclusive residential areas, promise an unparalleled living experience. The first phase will see 71 homes built, including 21 Garden Villas, 34 Deluxe Apartments and 16 Sky Villas, each carefully designed to maximize comfort and style.

Residents enjoy the exclusive services of this Resort, which exceed the standard of a 5-star hotel and guarantee a first-class quality of life. This holistic approach to residential design reflects the growing trend toward seeking a personal retreat that offers both luxury and environmental sustainability.

In line with sustainability requirements, renewable energy systems are installed, in addition to elements aimed at reducing the ecological footprint. These sustainability measures are reflected in energy consumption and emissions figures, as well as in achieving BREEAM certification.

This project offers an exclusive opportunity to live in a luxurious and sustainable environment, where comfort, style and respect for nature go hand in hand.
