Costa del Sol, Benahavis

This house is the perfect example of a real 'hidden gem'! Located in one of the greenest and most beautiful areas of the Costa del Sol's natural landscape, this residence sits on a generous plot, surrounded by beautifully maintained gardens that blend seamlessly with the surrounding nature.

Recently completely renovated, the house exudes a sleek and stylish atmosphere, even with minimal furnishings. The ground floor reveals a large, open-plan living room with a fireplace, a breakfast area and a dining room, all bathed in natural light thanks to the huge sliding doors leading to the terrace. The abundance of windows and doors all around provide beautiful lighting and emphasize the space of the open floor plan. When the windows are fully open, the indoor space flows effortlessly into the outdoor space, allowing you to fully enjoy the spacious terraces that extend along the house and around the swimming pool.

The kitchen is a feast for the eyes, with walnut veneer cabinets that pair beautifully with onyx-toned cabinets and cream-colored marble worktops. The high ceilings, with built-in lighting, provide a light and open atmosphere. Through glass patio doors at the end of the breakfast area you have direct access to the swimming pool, which is ideal for a refreshing dip after breakfast.

On the ground floor there are also two spacious bedrooms, one of which has its own bathroom and a private dressing room. The bathrooms have spacious walk-in showers, double sinks, chic wooden base cabinets and elegant wall tiles in warm tones, which together create a feeling of luxury and comfort.

Upstairs there are two further double bedrooms, both with en-suite bathrooms and direct access to the upstairs terrace. The bathrooms are true showpieces with freestanding bathtubs, spacious walk-in showers and richly decorated wall tiles. Large windows let in plenty of natural light, creating a warm and pleasant atmosphere.

The swimming pool is elegantly designed and has an inviting length of 12 meters. In addition, there is a chiringuito with an extra room and bathroom for added convenience, as well as an outdoor kitchen with barbecue, perfect for long, lazy lunches and relaxed dinners in the evening.

This home is custom designed, intelligently laid out and offers ultimate privacy and tranquility. It feels like you are in the middle of nature, yet you are only 15 minutes away from the coast and all major amenities, including luxury shopping, numerous top restaurants and prestigious golf courses.
