Costa Blanca, La Nucia

Discover this exclusive new-build residential complex in La Nucia, where modern living and luxury come together. The complex offers apartments and penthouses with top amenities, such as a communal outdoor pool, private parking, storage room, elevator, gym, and a luxury spa with heated indoor pool, sauna and jacuzzi.

The stylish homes are available with 2 or 3 bedrooms and all feature 2 bathrooms, a spacious open kitchen, and a bright living room. Each home has a private terrace and an underground parking space. The penthouses offer a private solarium, while the ground floor 3-bedroom apartments even have their own jacuzzi!

The avant-garde architecture and high-quality finishes create a dream environment for those looking for comfort and luxury. The elegantly designed interiors ensure that every day feels like an exceptional experience.

The homes feature luxury German designer kitchens with Silestone worktops and top-of-the-range appliances from Siemens. In addition, they have electric underfloor heating in the bathrooms, Samsung air conditioning with smart controls, and a video intercom system that is easy to operate via your smartphone or tablet.

The complex also offers a complete wellness and fitness center, with a heated indoor pool, jacuzzi, sauna, steam bath and chromotherapy. The communal gardens and terraces are beautifully landscaped with native plants for extra privacy and a relaxing atmosphere.

This residential project is located in an exceptional location, between La Nucia and Altea, and offers the best of both worlds: tranquility and exclusivity, combined with excellent facilities within the urbanization.
