Costa del Sol, Casares

This exceptional villa, located exclusively in the prestigious Finca Cortesin resort, exudes a refined blend of luxury and elegance. Designed by renowned architects Jose Maria Sierra, this architectural masterpiece is unparalleled on the Costa del Sol, with an impressive plot and breathtaking views. Large floor-to-ceiling windows on both floors bathe the interior in natural light, while the striking white façade with wooden accents creates a seamless transition between indoors and outdoors.

One of the most impressive features of this property is the spectacular ceiling height of no less than 9 metres in the ground floor living area. On the upper floor, a unique second living room overlooks the lower space, a private sanctuary that is reminiscent of a hidden terrace within the home. The upper floor is entirely dedicated to the master bedroom and two guest bedrooms, all of which offer stunning views of the golf course and the Mediterranean Sea.

On the lower floor we find the remaining bedrooms, a stylish living area and a modern kitchen, perfectly balanced between functionality and aesthetics. The entire ground floor opens effortlessly to the garden, allowing fresh air and natural light to flood the property.

The crowning glory of this villa is the impressive garden: vast, beautifully maintained and a paradise for outdoor enthusiasts. The inviting pool with deep blue tiles invites you to take a refreshing dip, while the integrated gazebo next to the pool offers the ideal place to relax. Majestic palm trees line the garden, while the expansive views of the golf course and the coastline create a sense of ultimate tranquility. Beautifully landscaped flower beds and perfectly trimmed shrubs add an extra touch of natural beauty.

With its unique location on the golf course, breathtaking architecture and unparalleled atmosphere, this villa is a true tribute to the luxury and charm of the Finca Cortesin Resort.
