Located in an exclusive and peaceful gated community on Marbella's Golden Mile, this spectacular villa offers a unique living experience on a spacious plot with beautifully landscaped gardens by renowned landscape architect Luis Vallejo. The villa has a south-east orientation, meaning that the property is flooded with natural sunlight for most of the day. The large private pool and inviting outdoor terraces, including relaxation areas and a sophisticated covered dining area with outdoor bar, create an ideal setting for outdoor living in luxury.

The architectural design by Francisco Guillén exudes modern elegance, with a sleek white facade, symmetrical lines and lush greenery that embraces the property. From the garden, you can enjoy stunning views of the iconic La Concha mountain. Inside, the interior, designed by Pedro Peña, reflects the same refined style as the exterior, with a careful selection of furniture and decorations that combine aesthetics and comfort.

In the spacious living area, integrated LED lighting in the ceiling provides a modern feel, while the neutral colour palette exudes calm and relaxation. The dining room, which has direct access to the terrace and kitchen, is perfect for cosy family dinners and cosy moments together. The home also features a state-of-the-art home automation system for added convenience and comfort.

The bespoke kitchen is a showcase of elegance and functionality. With deep wooden accents on the island and cabinets, and soft cream marble countertops, the kitchen is a serene and stylish space. Ample storage and work surfaces make this kitchen a dream for foodies, while the adjacent intimate dining area is ideal for everyday use.

The villa features several elegantly appointed bedrooms with ensuite bathrooms, but the master suite is the absolute highlight. With carefully chosen furnishings that maximise style and comfort, this bedroom feels like a personal oasis. Sophisticated and stylish, the master bathroom features wooden accents on the bath and double vanity, LED lighting and plenty of natural light. In addition, the property offers a range of bespoke amenities including an entertainment area, private bar, wine cellar, gym and sauna.

This villa is the epitome of luxury and modern comfort, perfect for those seeking an oasis of tranquility and elegance in the heart of Marbella.
