On this floor you will also find a brand new, open plan German-made kitchen, a stylish dining and living area that is fully furnished and ready to move into. For the cooler months there is a real wood-burning fireplace, as well as underfloor heating throughout the property.

Slide open the glass doors and step into the outdoor area, where a spacious dining area and lounge await you next to the large outdoor pool in the lush, private garden. For extra relaxation there is a new Finnish sauna with direct access to the garden and pool.
