Costa del Sol, Elviria

Welcome to a new luxury residential development consisting of a gated community of private homes with two and three bedroom apartments, including ten penthouses each with their own private pool. Surrounded by lush gardens, this development offers a beautiful heated swimming pool, a sun deck and a covered outdoor kitchen – ideal for dining with family and friends.

For ultimate convenience and a carefree living experience, a full concierge service is available. There are also ample underground parking spaces, private storage rooms and 24-hour security with patrols, so you can enjoy your home with peace of mind.

All apartments overlook the sea and beautifully landscaped gardens. The heated 25-metre swimming pool is surrounded by a comfortable solarium with sun loungers and a cosy covered lounge area, complete with outdoor kitchen, barbecue and ample seating.

As a resident, you will have exclusive access to the adjacent sports club, including a gym, tennis and paddle courts, a 9-hole par-3 golf course and a restaurant (included in the common costs).

To ensure a carefree stay, the project offers a range of personalised services, such as maintenance, cleaning and rental management. The concierge can organise additional services such as childcare, reservations, private chef, driver and airport transfer. The team can also arrange a range of activities, from cultural excursions and cooking workshops to golf, tennis, walks and boat trips (some services for a fee).

Luxury apartments for sale. Spacious apartments with luxury amenities.

2 - 3 bedrooms, 2 - 3 bathrooms, fully equipped open kitchen, air conditioning, sports club, parking, storage room, terrace and heated pool.
