Costa Blanca, Pinoso

Discover our new modern villas, perfect for rustic or urban plots in the beautiful Pinoso area. Each house offers 3 - 4 bedrooms and 2 bathrooms, with a private pool and full air conditioning. The kitchen is fully equipped and you have a wide choice of high quality materials.

Enjoy electricity and water, along with 4 included solar panels for sustainable energy. The properties have an energy label A and are located on plots ranging from 10,000 m², fenced for easy maintenance with a motorised sliding gate.

Each house is built on a rustic plot, with approximately 3,000 m² fenced and surrounded by 1,000 m² of gravel. Photovoltaic solar panels provide the electricity supply, while several plots are available in different locations.

Plan your move within 8 months of obtaining the building permit, and benefit from a self-promotion scheme where payments are made as construction progresses. This is your chance to realize your dream home in an idyllic setting.
