Cumbre del Sol offers a unique location where nature, sun and sea merge. This luxury villa promises not only peace and comfort, but also panoramic views of the Mediterranean that feel like a dream every day. Is this your future home?

The design of this new villa exudes modern elegance, with a façade of clean, geometric lines and cubic elements in a minimalist white. A Mediterranean landscaped garden, framed by stone walls, ensures that the villa blends seamlessly into the natural surroundings.

All living areas are located on one floor. The spacious kitchen with central island is equipped with high-quality appliances and, together with the large, bright living room, offers access to a terrace overlooking the glistening sea.

The living room itself exudes warmth and coziness, and offers the possibility to divide this space for extra privacy. The master suite with en suite bathroom and private terrace offers a personal oasis where you can enjoy the sea views in peace.

On the ground floor there are two spacious bedrooms, each with its own bathroom and terrace, perfect for a moment of relaxation in the open air. Here there is also a cozy lounge where you can read, meditate or relax.

The terrace, with a beautiful infinity pool, is the place to enjoy the Mediterranean life. Perfect for an aperitif, a barbecue with friends and family, or a quiet siesta in the sun - this villa offers everything for those looking for a life full of luxury and relaxation.
