Costa del Sol, Benahavis

Located in the prestigious Monte Mayor in Benahavis, this unique and exclusive project offers an unparalleled opportunity to live in a luxurious and comfortable home designed to make the most of the spectacular sea views from every floor. This fully licensed project embodies modern design, high-quality finishes and an exceptional location on the Costa del Sol.

The layout of the home has been carefully designed to combine functionality and elegance. The semi-basement is a multifunctional space with natural light, a practical lift and a staircase that provides access to the upper floors. Here you will find a luxury bathroom, a private cinema, a gym and a spacious games room, ideal for spending time with family or friends.

The ground floor is the heart of the home, where style and practicality come together. A modern lift and staircase connect the different levels and a guest toilet is strategically placed. The spacious kitchen with separate utility room flows seamlessly into the open plan living and dining area, perfect for both everyday use and entertaining. The ground floor also accommodates the elegant master bedroom, with an en-suite bathroom, a dressing room and direct access to the terraces. The outdoor areas are designed for ultimate relaxation, with covered and open terraces and a 48 m² heated swimming pool, where you can enjoy the Mediterranean climate all year round.

The first floor focuses on privacy and comfort. Here you will find a stylish entrance hall, a spacious garage with space for two vehicles, and four perfectly planned bedrooms. Two bedrooms have en-suite bathrooms, while the other two have a spacious shared bathroom. In addition, there is an additional living room, ideal for relaxing or as a work space, and two large terraces that offer breathtaking views of the natural surroundings and the sea.

This project is a showcase of modern living in an exclusive setting. With generous indoor and outdoor spaces and attention to every detail, it offers a unique living experience that perfectly combines luxury and comfort.
