Costa Blanca, Villajoyosa

In beautiful Alicante, just a five-minute walk from a beautiful beach, lies this new project. This exclusive residential project offers the perfect balance between tranquillity, luxury and modern comfort, in the middle of Mediterranean nature. The innovative and elegant architecture makes this development unique, with 164 stylish apartments and penthouses with one, two or three bedrooms. All properties have terraces or private gardens, designed to make the most of the Mediterranean climate and outdoor living.

The heart of the project is formed by an impressive rooftop terrace, a rare gem in Villajoyosa. Here you can relax in the infinity pool while enjoying panoramic views of the Mediterranean Sea. The exclusive barbecue area invites you to cozy evenings with friends and family, while luxury facilities such as a heated swimming pool, jacuzzi and wellness area ensure pure relaxation. For those who want to stay active, there are modern fitness rooms, both indoors and outdoors, and a special calisthenics circuit. Golf enthusiasts can hone their skills on the putting green with mini-golf, and the stylish gourmet lounge and coworking space complete the picture.

This project offers an unparalleled living experience in a prime location where nature, luxury and innovation come together. Here you live in a place where every day feels like a holiday and where the beauty of the Costa Blanca is always within reach.
