In addition, the beautifully landscaped gardens are designed with water-saving techniques, and each home has a private parking space and storage room.

This idyllic location in the south of Tenerife combines natural beauty with a wonderful microclimate. Thanks to the warm air currents from the Sahara, you can enjoy pleasant temperatures all year round, without extreme heat or cold winters. Tenerife is not called the island of eternal spring for nothing.

Callao Salvaje is a charming coastal village in Adeje, with all the necessary amenities within easy reach. You will find nice shops, restaurants, bars and a commercial centre. The village has a beautiful sandy beach, Playa Ajabo, surrounded by impressive rock formations.
