In a prime location in Pilar de la Horadada, just 1.8 kilometres from the beautiful sandy beaches, an exclusive new residential complex is being built. This project combines contemporary architecture with comfort and offers a wide choice of modern homes with three bedrooms and two bathrooms. With private parking included and high-quality finishes, this is the perfect place to enjoy the Mediterranean lifestyle.

Designed with attention to detail, the homes offer a variety of layouts, from apartments with large terraces and penthouses with a private solarium to holiday homes and semi-detached houses with a private garden.
