In an exclusive and peaceful setting right in the heart of the Costa Blanca South you will find these beautiful new build villas in La Finca Golf, a residential area that perfectly combines luxury, nature and sport. The development consists of just eight modern detached and semi-detached villas, designed to offer you all the space, comfort and flexibility.

Each home features a smart layout with an open plan living area that flows seamlessly into the terrace, two or three bedrooms and two bathrooms, a multifunctional basement and a spacious solarium. The outdoor areas – including a private garden and both covered and open terraces – allow you to fully enjoy the Mediterranean climate and offer panoramic views over the green valley of the Vega Baja. A private swimming pool is one of the options, so you can completely tailor your dream home to your needs.

The location on the renowned La Finca Golf Course, designed by Pepe Gancedo, makes this project extra special. This 18-hole par 72 golf course is not only a paradise for golf lovers, but also an oasis of peace, nature and elegance. In addition, you live here just 15 minutes from the extensive beaches of Guardamar and 35 minutes from Alicante airport. Lively villages such as Benijófar, Almoradí and Ciudad Quesada are also nearby, as are the popular coastal towns of Torrevieja and Orihuela Costa with their wide range of shops and leisure facilities.

Whether you are looking for a permanent home, a holiday villa or a smart investment in an exclusive environment - these modern villas in La Finca Golf offer a perfect balance between relaxation, nature, luxury and accessibility.
