## Costa Blanca, Orihuela Costa

Located in a beautiful golf resort, these apartments embody the Mediterranean lifestyle with a contemporary and refined design. Inspired by the freshness and vibrancy of citrus fruits, these homes are designed to create a natural connection between indoors and outdoors – a fusion of comfort, aesthetics and tranquility.

The modern architecture exudes warmth and elegance, with natural materials, soft colour tones and minimalist finishes that give each apartment a unique, timeless look. Large windows provide abundant light and offer panoramic views of the golf course and the sea. The spacious terraces and private gardens invite you to enjoy the Mediterranean climate in peace.

This project offers a selection of ground floor apartments with generous gardens, apartments with spacious terraces and exclusive penthouses with an impressive solarium. The communal gardens and swimming pool form a green oasis where residents can relax in harmony with nature.

Each home has its own parking space and storage room, adding to the daily comfort. These apartments perfectly combine modern living, natural elegance and the essence of the south – a unique opportunity for those looking for a serene and stylish lifestyle on the Costa Blanca.
