Costa Blanca, Altea

These renovated luxury villas in Sierra de Altea offer a rare opportunity to enjoy the best of Mediterranean living. Situated in the prestigious hills of Altea, where the mountains meet the sea, the villas offer panoramic views of a green valley and the sparkling Mediterranean Sea. Here you can live in complete tranquillity, surrounded by nature, yet close to the amenities and vibrant attractions of the Costa Blanca.

Each villa has been carefully renovated to combine contemporary architecture with classic Mediterranean character. The interiors are finished with high-quality materials, and the spacious open-plan living areas are enhanced by panoramic windows that let in the breathtaking views. The villas are designed for comfort and luxury, with four bedrooms, two modern bathrooms and an integrated kitchen that perfectly complements the open-plan living area. In addition, each villa offers a private rooftop pool, a solar-panelled pergola, and a natural stone façade that reflects the local aesthetic.

The villas are equipped with the latest technologies, including photovoltaic panels for green energy, triple glazed aluminium windows for optimum insulation, and a smart home system for lighting, blinds and climate control. Underfloor heating and air conditioning add to the comfort, while remote controlled external blinds provide added convenience.

Altea offers an excellent lifestyle with a range of outdoor activities such as golf, sailing, cycling and hiking, as well as a rich mix of culture and relaxation. The nearby marina, spa and restaurants provide the perfect balance between luxury and convenience. Plus, you are just a short drive away from the beautiful beaches of Altea, Benidorm and Calpe, and only 60km from Alicante International Airport.

These villas offer the perfect combination of luxury, location and lifestyle. Whether you are looking for a permanent home, a holiday retreat or an investment, here you can realise your dream home on the Mediterranean.
