Costa del Sol, Mijas

This exclusive residential complex takes living to the next level, offering a luxury resort-style living experience. With innovative spaces, high-quality facilities and excellent services, you can enjoy ultimate comfort in a refined setting.

Located in the modern and vibrant Las Lagunas area, this project is located in the commercial heart of Mijas. Here you will benefit from a wide range of amenities, with the Miramar Shopping Park right on your doorstep and the large Miramar shopping and leisure centre just a ten-minute walk away. The centre of Fuengirola, renowned for its vibrant atmosphere and extensive entertainment options, is just a five-minute drive away. In addition, both Marbella and Málaga, with their cosmopolitan charm and cultural wealth, are within half an hour, making this location perfect for a dynamic and sophisticated lifestyle.

The architectural design of this complex exudes elegance and modernity, with spacious terraces that blend seamlessly into the horizon and create a unique connection with the surroundings. The communal areas have been carefully designed to provide an oasis of tranquillity and exclusivity. The rooftop terrace with a breathtaking sky pool offers spectacular views of the Mediterranean Sea, while the spa and wellness area is the perfect place for relaxation and well-being. The gym is equipped with the latest technologies and the modern co-working space offers an inspiring environment for those who want to effortlessly combine work and leisure. Set amidst lush gardens, you will experience a serene atmosphere that is in harmony with the natural beauty of the Costa del Sol.

Inside, each home exudes sophistication and comfort, with an interior design that perfectly combines luxury and functionality. Large windows allow sunlight to flow freely, creating a bright and inviting living environment. Wood-effect porcelain floors provide a warm and elegant feel, while the open-plan kitchen, equipped with Miele appliances, offers a harmonious blend of style and practicality. Smart technologies are integrated into both the homes and the communal areas, ensuring an efficient and connected living experience. Furthermore, the project has been awarded the prestigious BREEAM sustainability certification, contributing to an environmentally conscious and forward-looking lifestyle.

This residential complex is the ideal choice for those looking for a permanent home, a second home or a solid investment on the Costa del Sol. With its unique combination of design, comfort and an unrivalled location, it offers a living experience that redefines the standard of luxury. Contact us today for more information or a viewing and discover the exclusive charm of this exceptional project for yourself.
