Imagine a life where comfort, nature and elegance come together – that is exactly what these modern villas in the prestigious Hacienda del Álamo Golf Resort offer. Situated in a quiet and fully gated residential area, these stylish new-build homes offer everything you need for a relaxed, carefree life under the sun of the Costa Cálida.

Each villa has three spacious bedrooms and two luxury bathrooms, all spread over one practical floor. The homes are located on plots from 436 m² and have a private swimming pool, a sunny terrace and a spacious roof terrace with views of the golf course. Here you can enjoy the outdoor life in complete privacy, surrounded by peace and Mediterranean nature.

The high-quality finish and attention to sustainability make the difference: aluminium exterior joinery with thermal break, energy-efficient systems such as aerothermal heating, pre-installation for air conditioning, an irrigation system for the garden and a solar panel option ensure future-oriented living comfort.

But the real plus? The location. You live in a resort that offers everything: a professional 18-hole golf course, hotel with spa, restaurants, supermarket, sports facilities and 24/7 security. The atmosphere is that of a charming Mediterranean village, where quality of life is paramount.

Thanks to the excellent accessibility - only 20 minutes from Murcia airport, 30 minutes from the beaches of the Mar Menor and half an hour from Cartagena - you are always close to the best the region has to offer.

Whether you are looking for a permanent residence, a luxury holiday home or a smart investment with growth potential: these villas in Hacienda del Álamo are a unique opportunity.
