Costa Blanca, Pilar De La Horadada

In the lively Pilar de la Horadada, one of the most popular places on the south coast of the Costa Blanca, a modern residential area is rising that takes Mediterranean life to a higher level. Here you live surrounded by peace, sun and the charm of a typical Spanish municipality, just a few minutes from the extensive sandy beaches of Las Higuericas and Mil Palmeras.

This new-build district consists of stylish apartments with a choice of a private garden on the ground floor or a sunny solarium on the upper floor. The homes are designed with attention to space, light and comfort, with large windows and a well-considered orientation ensuring optimum light and a seamless connection with the outside space. Each apartment has an open kitchen, a bright living room, comfortable bedrooms with fitted wardrobes and modern bathrooms. From many homes you have a view of the communal swimming pool or the green park next to the complex.

The quality of finishing is high, including aerothermal systems for hot water, double glazing, aluminium shutters and preparatory installation for air conditioning. In addition, each home has its own parking space and a private terrace to fully enjoy the outdoors. The residential area is a short distance from all daily amenities: supermarkets, shops, restaurants and medical care are within easy reach. Cycle or walk along the boulevard to the beach, or visit nearby golf courses and shopping centres. Thanks to the good connection to the airports of Murcia and Alicante, you are always connected to the rest of Europe.

Whether you are looking for a permanent home, a second home in the sun or an investment in a popular area, these apartments in Pilar de la Horadada offer a perfect balance between comfort, location and quality of life.
