## Costa del Sol, Mijas La Cala

Amidst lush nature and breathtaking greenery, an exclusive new development of fifteen detached villas is rising in the prestigious La Cala Golf Resort, on the eastern side of Marbella. These modern homes combine tranquillity and privacy with high-quality finishes and panoramic sea and mountain views – an ideal balance between serenity and proximity to the vibrant coastline of the Costa del Sol.

Just a short drive from the beach, trendy beach clubs, restaurants and all necessary amenities, these villas offer a perfect base for those seeking comfort, style and a Mediterranean lifestyle. The homes, spread over two or three floors, have been designed with attention to detail and sustainability. Each villa features four to five bedrooms with en-suite bathrooms, an additional guest toilet, a spacious open-plan living area with a luxury kitchen equipped with Miele appliances and a separate utility room. Large windows provide an abundance of natural light and a seamless transition between indoors and outdoors, where generous terraces, a private pool and a beautifully landscaped garden with irrigation system await you.

With underfloor heating, air conditioning, a home automation system, solar energy and high-quality double glazing, the villas are prepared for every season. Each home also has its own lift and a garage or carport. For those looking for extra luxury, bespoke options such as a jacuzzi, sauna, heated swimming pool, wine cellar, fitness room or home cinema are available at an additional cost.

With living areas ranging from 350 to 850 square metres and generous outdoor areas of 200 to 300 square metres, these villas promise an unparalleled living experience in one of the most sought-after areas of southern Spain.
