Costa Blanca, Finestrat

In the heart of the Costa Blanca, on an elevated position with panoramic views of Benidorm and the Mediterranean Sea, an exclusive new development in Finestrat is emerging that perfectly combines luxury, tranquillity and comfort. Just 2 kilometres from the sun-drenched beaches of Benidorm, this modern residential complex offers a unique living experience, surrounded by nature yet close to the hustle and bustle of the city.

The 99 stylish two-bedroom, two-bathroom apartments have been designed to make the most of the natural light and views. Large windows literally let the sea and skyline flood in, while the high-quality finishes ensure comfort and sustainability. Every detail has been carefully chosen, from the LED lighting and armoured entrance door to the double glazing and tastefully decorated bathrooms.

A relaxed and active lifestyle is the focus within the complex. Three swimming pools offer refreshment on hot days, while indoor and outdoor fitness areas invite you to exercise. Green paths, a paddle court and a children's playground complete the picture and create an environment where everyone feels at home.

The location is not only spectacular, but also very practical. Within a few minutes you can reach the La Marina shopping centre, the beaches of Levante and Poniente, or the Puig Campana nature reserve for walks and outdoor adventures. Theme parks, schools, medical centres and Alicante airport are also within easy reach, making this project ideal as a main residence, holiday home or investment.

Living in Finestrat means living with a view, in luxury and in balance - every day anew. Contact us today and discover how you can make this unique project your new home under the Spanish sun.
