Costa del Sol, Torrox

In sunny Torrox Costa, just a few metres from the Mediterranean, an exclusive project of 12 holiday homes is being built. Here, comfort, style and location come together for a wonderful life under the Spanish sun.

Each home has four bedrooms, including one on the ground floor, four complete bathrooms and an additional guest toilet. The spacious terraces with artificial grass and a private pool offer a perfect setting to relax and enjoy with family or friends.

Thanks to the well-thought-out layout and high-quality finishes, including a fitted kitchen with ceramic hob, extractor fan and sink, the homes are completely ready to move into. For extra comfort, each home is equipped with air conditioning via a split system and hot water supply via an energy-efficient heat pump.

The location is ideal: quiet but central, with shops, restaurants and leisure activities within easy reach. And of course the sea, which is always within easy reach. Whether you are looking for a permanent home or a luxurious holiday home – this project offers the best of the eastern Costa del Sol.

Modern holiday homes for sale. Located within walking distance of the beach and restaurants.

4 bedrooms, 4 bathrooms, toilet, 2 floors, fully equipped open kitchen, air conditioning, parking, several terraces and private pool.
