Costa del Sol, Estepona

Welcome to an exclusive residential complex of 87 turnkey family homes, ideally located in the western part of Estepona. Right next to the new High Resolution Hospital and right on the golf course, this project is located in one of the fastest developing and most promising residential areas of the Costa del Sol.

Designed in a contemporary style with Mediterranean influences, these modern homes offer a unique living experience full of light, space and comfort. Distributed over two floors plus a basement, the homes have three bedrooms, two bathrooms, spacious private terraces and – in some cases – a beautiful solarium with breathtaking views over the sea and the golf course.

Inside, you will enjoy high-quality finishes such as marble floors, double glazing, electric shutters and a jacuzzi, specially designed for your well-being.

The communal facilities take the living experience to a higher level: an indoor and outdoor swimming pool, a complete spa and fitness room and carefully redesigned gardens that radiate peace and harmony. The entire project is undergoing a complete renovation – both inside and out – to guarantee a stylish, high-quality and functional living environment.

Thanks to its strategic location, surrounded by nature and perfectly connected to Estepona, Marbella, Sotogrande and the airports of Malaga and Gibraltar, Altoasis offers a unique opportunity for those looking for a sustainable investment or a wonderful new home on the Costa del Sol.

Ready-to-move-in properties for sale. Spacious holiday homes with beautiful views.

3 bedrooms, 2 bathrooms, 2 floors, fully equipped kitchen, automatic shutters, terraces, indoor pool, spa, jacuzzi, gym and communal garden with pool.
