## Costa Blanca, Pilar De La Horadada

In the charming Torre de la Horadada, within walking distance of the Mediterranean Sea, this brand new home is ready to move into immediately. The architecture stands out with a refined play of lines and a harmonious mix of materials, which gives the exterior a fresh, modern look with a touch of elegance. The south-east orientation ensures abundant natural light, while the quiet, established residential area offers a perfect setting for enjoying the Mediterranean life.

Inside, every detail has been carefully considered: an open plan living space connects the living room, dining room and kitchen via sliding doors with an attractive patio, so that indoors and outdoors flow effortlessly into each other. Also on the ground floor is a comfortable bedroom and a stylish bathroom, ideal for guests or as an extra convenience.

On the upper floor, a surprisingly bright space awaits with a reading corner and desk – a serene place to relax or work from home. Adjacent are two spacious bedrooms, one of which has a private terrace. A generous bathroom connects both rooms and completes the comfort.

This property is ideal for those looking for direct access to a stylish, modern home by the sea. With beautiful beaches, a pleasant boulevard, restaurants, shops and sports facilities within easy reach - and excellent accessibility from the airports of Alicante and Murcia - this project offers everything for a relaxed life on the Spanish coast.
