## Costa Blanca, Benissa

In the quiet and green La Fustera, on the picturesque coast of Benissa, an exclusive new construction project is being built consisting of just four stylish villas. Here you can experience the ultimate Mediterranean life, surrounded by peace, nature and the charm of the nearby seaside resorts of Calpe, Moraira and Benissa. Just 1 km from the beach you can enjoy sun, sea and privacy in one of the most sought-after areas of the northern Costa Blanca.

These single-storey homes have been thoughtfully designed with an eye for space, comfort and atmosphere. With three bedrooms, two bathrooms and an open living space, they offer a harmonious balance between indoor and outdoor living. The natural light and direct access to spacious terraces ensure a constant connection with the garden and the private pool - ideal for relaxing in the sun or cosy evenings under the pergola.

The architecture exudes an Ibiza style with a Mediterranean twist: white facades, wooden accents, cubist shapes and natural materials create a warm, timeless look. The spacious plots of over 800 m<sup>2</sup> give each home a sense of peace and freedom, surrounded by lush greenery that seamlessly blends in with the natural environment.

These villas also excel in terms of construction quality and sustainability. Thanks to energy-efficient construction techniques, high-quality materials and modern finishes, they are perfectly suited for both permanent residence and luxury holiday accommodation.

With amenities such as golf courses, marinas, shops and gastronomy within easy reach, and good connections to cities such as Alicante, this location offers everything for a carefree lifestyle in the heart of the Costa Blanca.
