Living in Castalla means coming home to an oasis of tranquility, surrounded by mountains and Mediterranean nature, yet close to all amenities. In this exclusive development, you'll find 37 fully renovated homes that combine contemporary luxury with comfort and functionality. Whether you choose a stylish apartment or a spacious villa, each home is designed to elevate your living experience.

The apartments offer the choice of a garden or a solarium and feature two comfortable bedrooms and two modern bathrooms. The villas are available in various models, with three to four bedrooms, private plots, and optional swimming pools. Large windows provide natural light, while sleek finishes, energy-efficient windows, and split air conditioning contribute to the comfortable living experience. Fully equipped kitchens, modern bathrooms, and secure entrance doors complete the picture.

What truly makes this project special is the vision behind the development: repurposing abandoned buildings into sustainable, high-quality homes. With this, the developer not only contributes to environmentally friendly urbanization but also to the enrichment of the local community.

Located close to the lively village center, where you can find daily amenities, local gastronomy, and charming squares. Within half an hour, you can reach Alicante Airport or the sun-drenched beaches of the Costa Blanca. Golf courses and shopping centers are also within easy reach, making this location perfect for both permanent residence and holiday stays.

In the communal area, you'll enjoy a beautifully landscaped swimming pool, ideal for relaxing and enjoying the Mediterranean climate. This is your chance to own a modern and affordable home in a place where nature, tranquility, and accessibility converge.
