Living in a unique location on the Costa Blanca becomes a reality in these modern apartments just a few steps from Playa del Cura in Torrevieja. Here, where the city and the sea meet, you can enjoy the best that Mediterranean life has to offer every day. The location is truly ideal: with the beach, the lively promenade and the city centre just around the corner, you are always surrounded by cosiness, sun and amenities.

The apartments have been designed with an eye for space, light and comfort. Thanks to the east and south-east orientation, natural daylight enters generously, creating a warm and inviting atmosphere. Whether you choose a one, two or three bedroom home, each unit offers a well-thought-out layout that perfectly suits life by the sea.

In addition, the residential complex is equipped with luxury facilities. On the communal solarium you will find a refreshing swimming pool with jacuzzi, comfortable sun loungers and a cosy barbecue area - an ideal setting to relax or get together with friends and family.

With Torrevieja's mild climate, more than 320 days of sunshine per year, and its proximity to beaches, restaurants, shops and golf courses, this project offers everything for a comfortable life on the coast. A perfect balance between urban vibrancy and relaxed beach feeling, in one of the most popular areas of the Costa Blanca.

Well located apartments for sale. Modern apartments within walking distance of the beach.
